Any other information you feel we should know:

Red Balloon Learner Centres are supported by a range of charitable trusts, foundations, companies, schools and local authorities, and by donations, sponsorship and in-kind support from individuals and companies. The support we receive helps us recover bullied children through the provision of specialist academic, therapeutic and pastoral support.

Where we believe our programme is suitable for your young person funding from appropriate sources is provided. We also ask parents and carers whether they are able to make a small donation to support us in our work helping young people.

I am able/unable to make a donation towards the cost of the programme.\* If Yes, I/We would feel able to make a donation of £\_\_\_\_\_ per calendar month.

*\*Red Balloon will not discriminate on a family's ability to pay however every donation, great or small, is appreciated and will be used to help vulnerable families and young people.*
